Year 1 Week 13 – Topic Task

LI To understand the differences between living near the seaside and living in a city.

Key words: Physical/human features, beach, cliff, coast, sand, buildings, pollution, traffic, noise.

Living in a busy city can be very different to the environment of a seaside.

Task 1:

Make a list of the things you can see and hear near to where you live and the things you see and hear from these videos of life near the seaside. Mention any observations you may have had if you have visited to seaside before.

Task 2:

Made a list of the differences between the human and physical features you find in city and seaside life.

Remember human features are anything built by humans that are not natural e.g. beach huts. Physical features are natural and are created originally and have not been built by humans e.g rock pools.

Task 3:

Write a letter or a postcard to the mayor of Southend-on-Sea to explain the differences between what life is like living in the city compared to what life is like on the coast. Mention the things you might want to see if you visit the seaside.

Handy hint: Think about the similarities and differences between the different areas.

Human features: Cars, shops, roads, noise pollution, parks, arcades, funfairs, piers, beach huts

Physical Features: Trees, grass, beach, caves, rock pools, cliffs, wildlife
