Attendance			
Orchard	**Hoxton**	**Southwold**	**Adults**
Jennifer Millie Cumaali Jonathan	Isla Umar Miaa Sean Anisa Elly Ollie Zanea	Shanice Tanayah Brooke Isaac Gulsen	Ms Houchin Ms Toma Ms Lodge

Agenda Items: Learning Walk and feedback

Item	Discussion	Action
School counsellors from Orchard and Southwold visited Hoxton. They divided into small groups and took part in a learning walk across different areas of the school. During the learning walk, they identified areas of strength and development. All participants then fed back as a whole group and discussed what actions should be taken.		
What are the strengths?	• Classrooms are clean and tidy • Inspiration stations looked inviting and were ready to be used • Displays were colourful and informative • Holiday homework was on display for all to see • Presentation in books was of a high standard • Good use of self-registration in EYFS • Pupil voice displays in every classroom with children's photos on them	
What are the areas for development?	• More pupil voice and pupil work to be on display • More examples of art work to be on display in every classroom • Children to keep their own desk space tidy	• Tidy up time to be given at key points in the day so that children can take responsibility for their own areas

What things will you take back to your school?	• Birthday displays for EYFS • Tables to display children's holiday homework • Children's photos to be put on a pupil voice display • 3D shapes on display to help children remember	• School council representatives to share minutes with on-site school councillors and discuss findings
Future agendas: - School lunches - Charity selection/fundraising events (E.g. Viridis' Got Talent) - After school club suggestions (more options)
