Your child is given a levelled book to read themselves and a story book to share with an adult. Please listen to your child read as much as possible throughout the week. Reading diaries are provided to keep track of how your child is reading at home and we encourage you to write comments. Keep an eye out for stickers in reading diaries celebrating when your child has moved up a book band!

Please ensure your child has a fully labelled P.E kit in school, including appropriate footwear.

Summer 2

Curriculum Newsletter

Dear Parents and Carers,

It is our final half term in Reception!

Our Summer 2 topic is 'On Your Marks'. We will be learning about healthy lifestyles, especially focusing on keeping active and eating well. Remember to read our weekly parent planner to keep up to date with our core texts, the planned learning opportunities in the setting, as well as any special events and messages.

We will also be spending some time this half term preparing the children for their transition into Year 1.

Please ensure that your child is in school at 8:55 every day.

Learning starts in the classroom with Early Morning Work, where the children have the chance to practise key skills and settle into the day. Children who consistently arrive late often miss this opportunity. Late arrivals can be disruptive for the whole class.

If you have any questions or concerns, please do not hesitate to speak to us.

Kind Regards,

Ms Kirby, Ms Hullock and Ms Begum
