Homework

Literacy and Mathematics homework will be sent out **every Thursday**. The class teacher will collect homework from the children on **Monday mornings**.

Spellings will be sent out every Thursday and tested every Monday.

Home readers need to be completed daily and signed weekly by a Parent/Carer.

PE

This term the children will be exploring a range of skills around athletics. Children must bring their **complete PE kit every Thursday**.

(White polo-shirt, Green shorts or black tracksuit bottoms and appropriate footwear.)

Year 6 Curriculum Newsletter Summer 2

Dear Parents and Carers,

Your children are now in their final half term at Orchard Primary School and we are doing all we can to prepare them for their transition to secondary school in September.

In order for the end of term to go smoothly, we ask for your continued support in reminding the children of the expectations we have of them, both in their learning and their behaviours.

To celebrate their completion of primary education, we have arranged a variety of exciting opportunities and trips for them. However, learning across the curriculum will continue right up until the end of term.

Kind Regards,

Ms Hussain, Mrs Grover and Mr Siddique

As Writers, we will be exploring a range of genres, including diaries, newspaper reports, narratives books and play scripts.
As Speakers and Listeners we will be performing Oliver Twist for the school production.

As Mathematicians, we will begin to explore concepts that will be studied at secondary school in order to aid the children's transition. We will learn about circles, budgeting and much more.

As Scientists we will be focusing on investigations, reviewing and revising a range of topics studied over the year, with a distinct focus on the experimentation side of science.

Humanities
Post War Britain

As designers we will research ideas about different animals. We will learn how simple mechanisms work, design and make our own automata animal.

In PE, we will be taking to the water and learning to kayak on the Regents Canal. We will also learn and participate in a range of athletics games such as relays and triple jumps in preparations for Sports Day.

As Historians, we will be studying Post War Britain; looking at how the country has changed in a variety of ways, since the end of the war.
