

One call away

I'm only one call away
I'll be there to save the day
Superman got nothing on me
I'm only one call away

Call me, baby, if you need a friend
I just wanna give you love
Come on, come on, come on
Reaching out to you, so take a chance
No matter where you go
You know you're not alone

I'm only one call away
I'll be there to save the day
Superman got nothing on me
I'm only one call away

Come along with me and
don't be scared
I just wanna set you free
Come on, come on, come one
You and me can make it anywhere
For now, we can stay here for a while,
'Cause you know, I just wanna
see you smile

No matter where you go
You know you're not alone

I'm only one call away
I'll be there to save the day
Superman got nothing on me
I'm only one call away

And when you're weak I'll be strong
I'm gonna keep holding on
Now don't you worry, it won't be long,
darling
And when you feel like hope is gone
Just run into my arms

I'm only one call away
I'll be there to save the day
Superman got nothing on me
I'm only one, I'm only one

One call away
I'll be there to save the day
Superman got nothing on me
I'm only one call away
I'm only one call away
