

Topic Task Week 2

L.I. To research the Mayan Civilisation.

In preparation for our Summer topic 'Mexico', you need research the Mayan Civilisation. Include the clothes and headdress they wore, the homes they built, the types of food they ate and their beliefs.

Key Questions:

1. What was life like for the Mayas? What type of jobs did they have? What were their family roles and what are the similarities and differences between their family roles and family roles of today? What type of diet did they have and what food were they most famous for?
2. In history, what happened to the Mayas and what are some of the ideas as to their decline in society?
3. Who was K'inich Janaab Pakal? What was his significance in the Mayan history?
4. How many gods were part of the Mayan history and what did each one mean to the Mayas?
