

'Happier'

Words and Music by Dan Smith , Steve Mac and Marshmello.

*Lately, I've been, I've been thinking,
I want you to be happier, I want you to be happier.*

When the morning comes,
When we see what we've become.
In the cold light of day we're a flame in the wind
Not the fire that we've begun.
Ev'ry argument, ev'ry word we can't take back.
Cos with all that has happened
I think that we both know the way that the story ends.

Then only for a minute, I want to change my mind
Cos this just don't feel right to me.
I wanna raise your spirits.
I want to see you smile,
Know that means I'll have to leave.
Know that means I'll have to leave.

*Lately, I've been, I've been thinking,
I want you to be happier, I want you to be happier.*

When the evening falls,
And I'm left there with my thoughts.
And the image of you being with someone else,
Well, it's eating me up inside.
But we ran our course, we pretended we're OK.
Now if we jump together at least we can swim
Far away from the wreck we made.

Then only for a minute,
I want to change my mind
Cos this just don't feel right to me.
I wanna raise your spirits.
I want to see you smile,
Know that means I'll have to leave.
Know that means I'll have to leave.

*Lately, I've been, I've been thinking,
I want you to be happier, I want you to be happier.*

So I'll go, I'll go.
I will go, go, go.
So I'll go, I'll go.
I will go, go, go.

Lately, I've been, I've been thinking,
I want you to be happier, I want you to be happier.
Even though I might not like this,
I think that you'll be happier,
I want you to be happier.

Then only for a minute,
I want to change my mind
Cos this just don't feel right to me.
I wanna raise your spirits.
I want to see you smile but
Know that means I'll have to leave.
Know that means I'll have to leave.

*Lately, I've been, I've been thinking,
I want you to be happier, I want you to be happier.*

So I'll go, I'll go.
I will go, go, go.
