

Week 3 Literacy Task

L.I: To write a set of instructions

- I can use imperative verbs
- I can use adverbs to describe actions
- I can write steps in chronological order

Think about something you have done this week. How would you explain how to do this, to someone who had never done it before?

Remember to:

Write a heading using 'How to'

Create a list of everything you need to carry out the instructions.

Sequence each step in chronological order.

Use bullet points or numbers at the beginning of each one.

Write short, clear sentences.

Use imperative or 'bossy' **verbs** at the start of each step

Use **adverbs** to add detail and explain how each action is done.

Here is an example of one that has been started.

How to make delicious pancakes

You will need:

Flour, eggs, milk, bowl, whisk, butter, frying pan and a spatula.

1. **Carefully mix** the flour, eggs and milk together in a bowl.
2. **Whisk vigorously** to form a smooth batter.
