- The towering robot
- In his chest
- · Joy filled his chest

Here is an example of a description of the Bluebird to get you started...

As the freezing wind swirled in the frosty air the tiny Bluebird flapped her fragile wings and landed on the Robots shoulder. The frail, weak bird was exhausted and needed a place to rest. Kindly, the robot offered his chest as a place to sleep, out of the blistering cold. Bluebird felt overjoyed with relief when she was saved by the friendly Robot.
