LI: to write an information text.

- **I can use subheadings.**
- **I can use technical and precise vocabulary.**
- **I can use brackets and semi colons.**
- **I can use the features of an information text.**

This week, we would like you to write an information text all about the Mayans. It needs to have at least 4 subheadings, with an introduction too, explaining who the Mayans were. It could also have pictures with captions. Please don't copy and paste things from the internet: we will know! Write it in your own words – you will learn much more and you can make it much more interesting for your teacher to read.

Some suggestions for subheadings are:

- Temples
- Gods/religion
- Culture
- Sport
- Food/drink
- Buildings
