Areas of Learning for Summer 2

Holiday homework project **'Capes and Crowns'**

Who is your favourite superhero? Can you use the internet to find out about them? Why are they your favourite?

You could;

- *Design and label a superhero costume*
- *Create your own costume from newspaper and sticky tape*
- *Create a superhero mask or wrist cuff*
- *Make a cape from an old t-shirt and decorate it*

Understanding the World

- *Can you experiment with the best materials to make a cape? Which is strongest / waterproof / lightest?*
- *Can you create your own superhero shadow just like Batman using scissors, paper and a torch?*
- *Can you design a 'super salad' of healthy foods to feed a superhero?*

Art and Design

- *Can you decorate a potato to look like Supertato?*
- *Can you act out your superhero comic book story?*
- *Can you use chalks, colouring pencils or paints to create a 'skyline' silhouette picture?*
- *Can you create a boat or plane for a superhero? How will it fly / float?*

Maths- Shape, Space and Measure

- *Can you experiment with the capacity of different containers? Which holds the most, least? Can you count how many spoonsful/cupsful each container holds?*
- *Can you create a super-assault course and time how long it takes to complete it?*
- *Can you use a toy with wheels to measure how far it goes? You could measure with your foot or by handprints. What happens if you add a ramp?*

Literacy and Language

- *Can you draw your own comic and write a sentence to describe what is happening in each picture?*
- *Can you write some sentences describing the superhero costume you have designed?*
- *Can you write about a real superhero you know? They could be a family member or friend. What makes them super special to you?*
