

## KEY STAGE 2 SPANISH

Dear Parents / Carers,

### SPANISH REVISION FOR KEYS STAGE 2

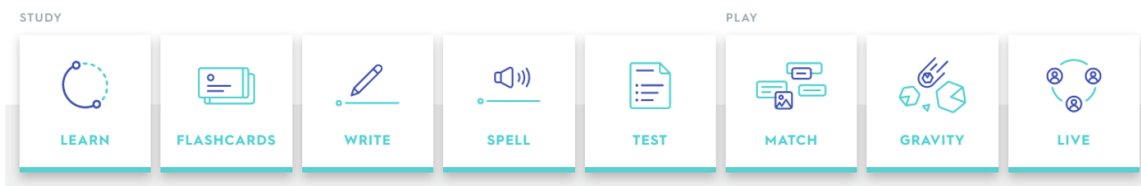

We have designed some resources using Quizlet to support children's Spanish revision during this time.

#### What is Quizlet?

Quizlet provides free tools that help students practice and master what they are learning. With several engaging activities to choose from, students can study at their own pace and in ways that work for them.

#### How will my child use Quizlet?

Your child can review their previous learning with different fun activities, from flashcards to practice tests to timed games at home:

They can study anytime, anywhere using Quizlet's free website and mobile apps for iOS and Android.

#### Quizlet's safety and privacy practices for children under 13 years

Quizlet is committed to providing a safe for all users. **Children under age 13 must have their account linked to their parent or legal guardian's email address.** Learn more: [quizlet.com/privacy](https://quizlet.com/privacy)

#### To use the site:

- First, Go to [quizlet.com](https://quizlet.com) and click Sign Up.
- Tip: Use Google Sign up if your child has a school Google account.
- They will ask for your child's birthdate, a username, and a parent's email address. An email with a link will be sent to confirm your child's account.
- Then, click on the appropriate link below: **Always login with your child each time to ensure e-safety.**
