Literacy

This week we are reading the story 'Superworm' by Julia Donaldson.

You can listen to the story read aloud [here!](#)

Can you read the fact cards about earthworms and answer the questions below?

All About Earthworms

Earthworms are long, wiggly animals that like to live in soil.

All About Earthworms

Earthworms breathe through their skin – they don't have lungs.

Photo courtesy of jchapiewsky (@flickr.com) - granted under creative commons licence - attribution

All About Earthworms

Worms don't have any legs! Instead they move by wriggling along. Their long bodies are covered with tiny hairs that help them to move.

All About Earthworms

Earthworms dig tunnels under the soil. This helps move the soil around and also helps plants to grow.

1. Where do earthworms like to live?

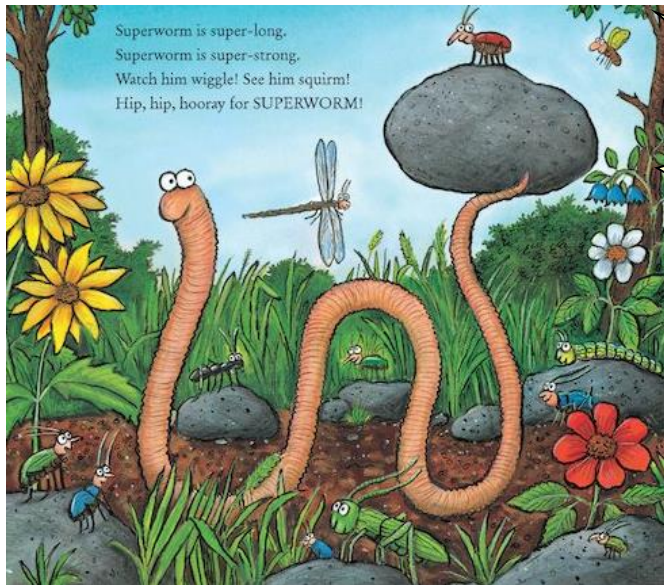

2. How do earthworms breathe?

3. How do earthworms move through the soil?

4. What helps the earthworm to move?

Can you write a sentence or two to describe
Superworm?

You can use the word bank and sentence starter
below to help you.

Challenge: Try to
use the words "and"
in your sentence.

Superworm is...

strong

kind

long

fast

thin

brave

Maths

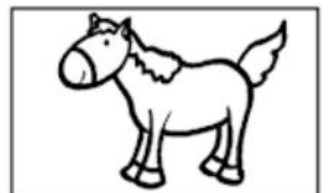

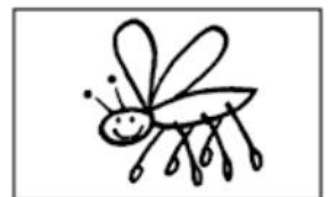

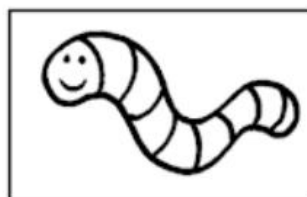

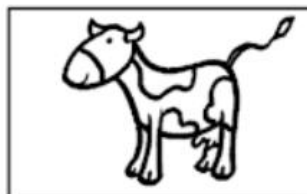

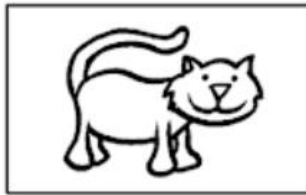

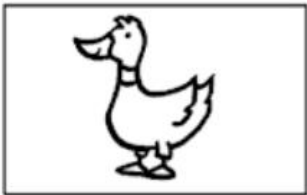

Counting in 2s

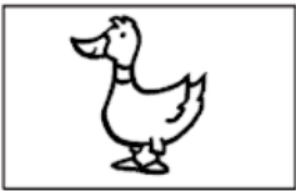

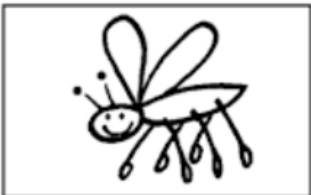

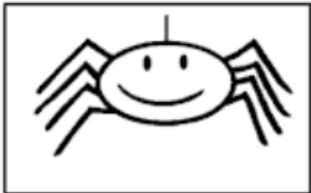

For this activity you will need:

- 4 pairs of socks
- Someone to talk to about your calculations, or a soft toy or doll

Task:

- Can you get your pairs of socks and count them out for each animal?
- Can you count the pairs and record on the chart on the next page?

Animal	Number of legs	Pairs of socks
	2	1
		
		
		
		
		
		
		

How many legs would 6 ducks have?

How many pairs of socks would they need?

(You can draw a picture below to help you.)

Can you practise counting in your 2s?

Can you count in your 2s and fill the missing number on the socks?

You can practise counting in 2s with this [song!](#)

Topic

Can you go on a minibeast hunt in the park, your garden, or on your balcony?

You can tick off any minibeasts you find below!

Tick the minibeasts that you have found!

spider

☐

woodlouse

☐

slug

☐

butterfly

☐

beetle

☐

wasp

☐

crane fly
(daddy-long-legs)

☐

ladybird

☐

earwig

☐

dragonfly

☐

snail

☐

ant

☐

millipede

☐

worm

☐

fly

☐

caterpillar

☐

bee

☐

Look at this artwork by Henri Matisse called
'The Snail'.

Do you like the picture? What do you like, or not like
about it?

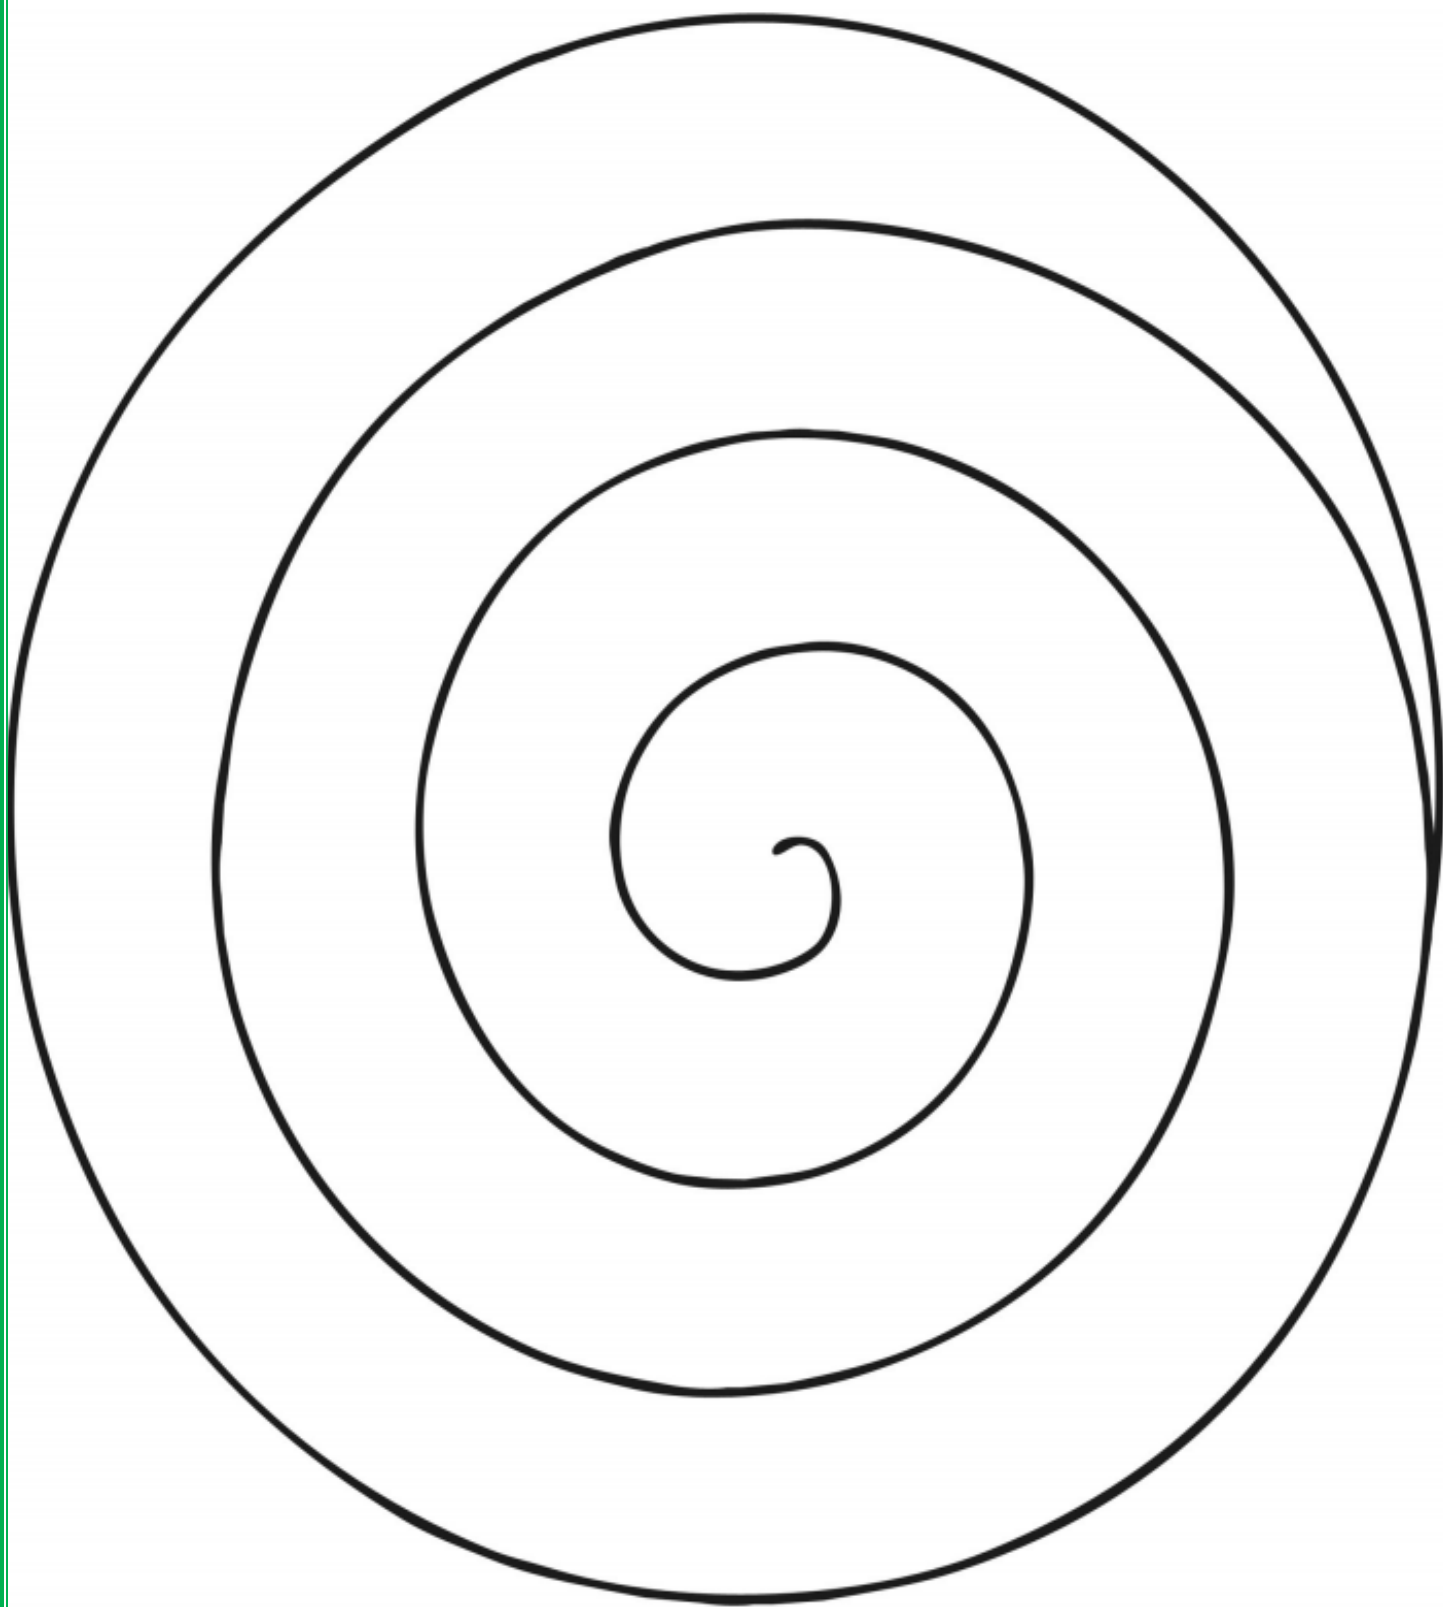

What do you think Henri Matisse used to make it?

Do you think it looks like a snail?

Can you see the spiral shape?

Can you make your own artwork based on The Snail?

You could use cut or torn scraps of paper just like
Henri Matisse or decorate the spiral shape below.

Don't forget to send a photo of your artwork to

hoxtonhomelearning@vs.hackney.sch.uk

southwoldhomelearning@vs.hackney.sch.uk
