

End of Year Arrangements

Dear Parents and Carers,

It has been wonderful to have the school building once again been filled with the sounds of children learning and working together with the partial return of Nursery, Reception, Year 1, Year 6 and some pupils from other year groups.

Unfortunately, it will not be possible to have the whole school back together this academic year but we look forward to September when we will be able to do so again. At this time, the Government guidance is that all children will be required to return to school in September and more information will be shared before the end of term now Government guidelines have been set.

Our end of year arrangements will look different this year as a result of the continued partial closure. Sadly, the children will not get to meet their new teacher before the term closes as this would not be possible to undertake safely.

We are very keen however, that children have the opportunity to say goodbye to their teacher, pick up their work books from this academic year and that you receive the letter notifying you of the allocated class name and teacher for the new academic year. In order to manage this safely, each class has been allocated a day and a time to collect packs from the **Orchard Friends entrance on Holcroft Road**. Please do be mindful that social distancing will be in place and while we will do our best, there may be short wait times.
