

L.I. To use my knowledge to suggest suitable geographical questions.

I can use atlas, globes and maps accurately to pin point locations

I can use primary and secondary sources of evidence

I can compare different ways of life

Task 1

Watch the following video and write down 5 ways in which London has changed over time:

<https://www.youtube.com/watch?v=5kml92pPjx0>

1.

2.

3.

4.

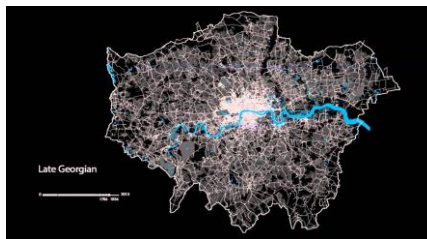

5.

Task 2

1400's

1700's

2020

What do these maps suggest has happened to London over time? Why do you think this? What did you learn about the Victorians that could help explain this? What do you think causes Urbanisation (the growth of cities)?

Using the above questions and your own research write a paragraph to explain these changes.
