

Dates for your diary

Thursday 11th November – Yr 3 Design & Technology Day
Monday 19th November – Odd Socks Day for Anti-Bullying Day
Wednesday 8th December – Panto
Thursday 9th December – Parents Consultation Evening
Friday 10th December – Christmas Jumper/Lunch Day

PE

Please ensure your child has the correct PE kit in school on their timetabled PE days. It is advised your child keeps their kit in school throughout the week in case of any timetable changes. Children must have a full PE kit (a white t-shirt, green or black shorts and plimsolls) to ensure personal hygiene and safety.

Walnut Class PE day is Tuesday

Sycamore Class PE day is Thursday

Cedar Class PE day is Thursday

Homework

Children in Year 3 should spend a set time each day completing homework to ensure a good routine. This should include:

- Complete the weekly literacy and numeracy tasks, which will be set on Thursday and should be returned on Monday.
- Read their home reading book for 15 minutes each evening (please sign the diary to show this has been completed).
- Learn their weekly spellings, which will be set on Thursdays and tested on Monday.
- Learn their 3, 4 and 8 times tables.
- Access the home learning sites Rockstars and Mathletics.

Year Three Autumn 2 Curriculum Newsletter

Dear Parents and Carers,

Welcome back after the autumn holiday to another busy half term! We hope you all had a restful break and are looking forward to the new half term as much as we are.

Please support your child by ensuring they have their book bags daily, homework is completed on time and there are daily opportunities for reading and practising times tables at home.

Should you have any concerns or wish to discuss your child's progress, please feel free to speak to us. We are available to talk after school on most days or speak to the school office to arrange an appointment. Information about what your child will learn this half term is on the inside of this booklet.

We look forward to working with you and your child.

Best wishes,

Year 3 Team

Our topic this half term is: What is the weather?

Literacy

As writers, we will be exploring texts in detail through reading and discussion. We will be focusing on both fiction and non-fiction genres of writing. Children will have the opportunity to look at and write their own traditional tales; to write and perform play scripts and to create limericks.

Recommended Reads

Weather (DK Eyewitness)

Foxton Primary Science: Light

Music

We will be singing and performing songs, exploring how we can use our voices with expression.

Art and Design Technology

As artists, we will be creating weather weaves. We will be combining media and blending colour.

As designers, we will be creating waterproof bags, thinking carefully about the choice of material used to fit the purpose.

Mathematics

As mathematicians, we will be using our acquired understanding of number and applying this to a range of other concepts, such as: multiplication and division and units of measure (length and area).

Geography

As geographers we will be looking at the weather in different climate zones and we will be making comparisons between them. We will also be looking at the impact human actions and behaviours are having on the temperatures around the world, and how this may effect certain places.

Science

In Science, we will be learning about the properties of light and how it travels. We will learn how shadows are formed and how they change, through investigations. We will also be exploring how light is reflected and what factors might affect this.

PSHCE: Staying Safe

ICT

Explore programmes for coding:
2Code

Physical Education

As physical learners, we will be mastering the art of dance. We will be using the music we listen to create dance moves that reflect the mood and that tell a story to the audience. We will work as a team to choreograph a piece to share with our peers.
