Agenda

	Item	Southwold	Hoxton	Orchard
1	What actions have we been focusing on since we met in December?	1. Water bottle initiative 2. Litter picking 3. Energy poster KS1 and KS2 have both been litter picking at playtime and in local area. We have noticed that there is now less litter. Eco-team have been at the back of the line to ensure the lights get switched off	1. Water bottle initiative 2. Litter picking 3. Energy poster Louis – For waste, we have ensured that: the dinner hall has the correct food waste bin (following our waste audit in the kitchen and dining area). Lily – we encouraged others to use teracycle boxes for stationary more and check that pens are finished first. Jahmiya – we made sure litter picking was being done properly.	1. Water bottle initiative 2. Litter picking 3. Energy poster We have been making sure the correct bins are being used to recycle waste. There are more bins in the classes now
2	What have we been doing to maintain/secure the Green Flag Award?	1. Water 2. Energy 3. Litter Eco Team are planning an assembly and fashion show to spread the message about how much water is used to make new clothes. Eco Team will encourage chn to upcycle/ reuse clothing	1. Water 2. Energy 3. Litter Louis – Energy. We have created posters about energy and litter which are on our eco display. Bushra – We have been encouraging others to use their permanent water bottle.	1. Water 2. Energy 3. Litter We have been carrying our litter picks. We collect litter in the playground. We have been recycling waste correctly which saves energy.
3	What project will we focus on between now and the next meeting? What is planned for Earth Day	Earth Day We are having an author of some eco books visit us to run workshops with KS2 and host assemblies with EYFS and KS1. There will also be a competition related to her visit and Eco Team will encourage entries. Water bottle initiative	Selena – we are considering doing a competition as part of Earth Week. Jahmiya – we are talking about which year groups will do which workshop with Bumble Green when they come during that week. Sami – We are talking about getting food bins for the	We will be picking litter in the park and taking part in the spring clean. Yr6 will be walking around the classes on the top floor at lunchtime on Fridays and monitoring to see which classes have switched off their lights and whiteboards.

		<p>In Summer term, eco team will encourage chn to bring in reusable bottles</p>	<p>playground and how to encourage others to not drop fruit peels on the floor. Selena – we would like to turn lights off at the end of the day.</p> <p>We are also doing an earth day assembly for each key stage.</p>	<p>Eco lead to be at back of the line to switch off lights when leaving classroom.</p> <p>Earth day – Assembly about earth day to KS1 and KS2</p>
	AOB	<p>Energy posters and more real plants</p>	<p>Sami – many of our plants in school are fake plants. We would like to get more real plants in the building.</p>	<p>Energy saving posters will be made.</p>
